

Mini Project 1 prototype sketch.

Home Page

- 3 options;
 - > create portfolio
 - > suggest (High/Low risk)
 - > search

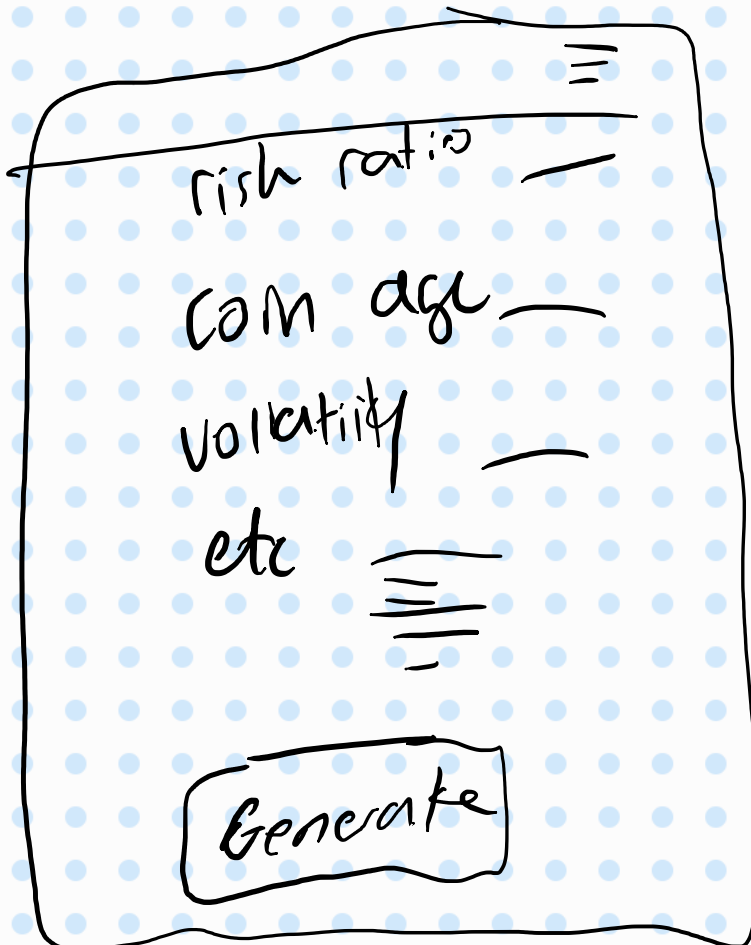

Browse / search for coins

customize

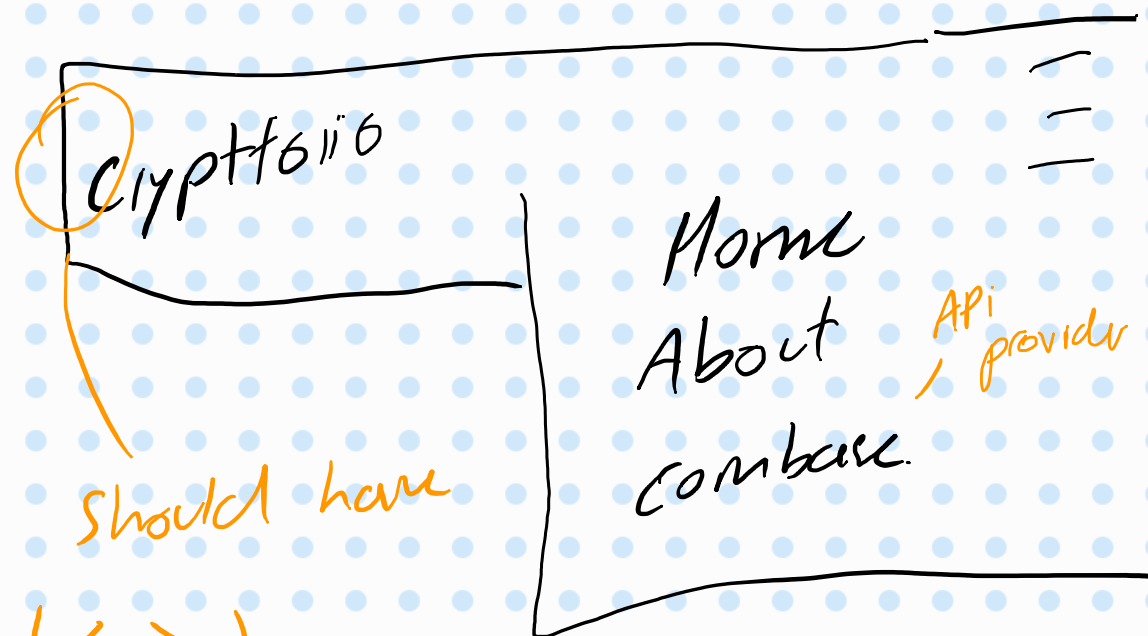

Create portfolio page

- provide options, and defaults which user can customize
- click generate when done.

nav bar

(< >) breadcrumbs to allow back / forward navigation.

Portfolio

- use same layout for suggestions & custom generated portfolio

- can select a portfolio & enter into custom portfolio mode (change / add / remove coins & adjust investment ratios)
